To All Division Managers

SUBJECT: Winston SELECT B5G5F/B1G1F Remaining Allocations

As information, remaining allocations on the Winston SELECT B5G5F/B1G1F product will be communicated to your division today via an automatic print report.

The plan for completion of the B5G5F/B1G1F is to have all quantities ordered for shipment to direct accounts no later than 10/22/93.

Please review your remaining allocations to ensure all B5G5F/B1G1F product has been ordered to your accounts within this time frame. Those direct accounts ordering from public warehouses with depleted B5/B1 inventories will obviously not have any remaining allocations and clean-up will not be necessary.
